

377 SPS Reunion 2016

Dinky Dau Raffle

The **Dinky Dau Raffle** will be a fun addition to our hospitality room offerings, BUT we will need your help to make it a success.

What we need from you if you wish to help out:

We are asking you to donate a prize for the raffle and bring it along with you to the reunion. **The cost of your prize should not exceed \$15.** Think of something that represents where you live or something you think the reunion attendees will want to win. Remember that most people will need to fly home so keep it small or packable in a suitcase.

At previous reunions we have had the following items among many more: sports memorabilia, stone ground corn meal from a historic mill, a hand made ball point pen, small oil painting, hand made crafts, Christmas ornaments, 377 SPS caps and many more items. Put on your thinking caps and come up with a great item that reunion attendees will want to have. When you arrive at the reunion, look me up and we will display the items in the hospitality room.

Reunion attendees will be able to purchase the 2 piece raffle tickets at \$1 each. One ticket will go into the cup by the prize you wish to try to win and you will keep the matching ticket. **We will have the drawing in the hospitality room before the reunion dinner.** Bring your half of your ticket to claim your prize.

Raffle proceeds will help to offset any unexpected reunion costs and to help set up the next reunion in 2018.
